To Drink

Mission Brewery Hard Root Beer - $7

Mission Hard Root Beer is a hand-crafted adult twist on a classic. Creamy, smooth with traditional root beer notes of sarsaparilla and vanilla but not cloying, the 7.5% ABV in this is all but undetectable

JLhor Syrah - $7/$28

Aromas of blueberry and black tea are lifted by barrel aging on lees in a 60/40 blend American and French oak barrels. A touch of white pepper on the palate opens up slowly to reveal baking spice and pomegranate fruit on the finish.

Gin Rickey - $8

Made from our fermented Gin, fresh lime, and sparkling soda

Summer Sangria - $14

Chianti, fermented vodka and triple sec, fresh Orange slices and strawberries with a splash of bubbles. Enough for two
